

Village of Lansing Accomplishments
May 1996 through April 1997

- Completed rebuilding of Oakrest Road and the Oakrest Road water main.
- Completed a walkway that joins Highgate Circle to the Triphammer area apartments and malls.
- Developed a plan for reconstruction of Triphammer Road which was submitted to NY DOT for partial funding through the Federal Highway Program.
- Developed an affordable plan for providing needed meeting space in the Village Office.
- Negotiated an agreement with Tompkins County concerning zoning at the airport.
- Set up E-mail for office staff and facilitated residents' ability to communicate with the Village; upgraded Village office computers, and maintained our World Wide Web site.
- Arranged for 6 years of cable franchise payments to be reimbursed to the Village and cooperated with area municipalities to create a model cable franchise contract.
- Strengthened the voice of the Village on the Town of Lansing Board of Fire Commissioners.
- Kept the potholes filled, water running in the water mains and sewer safely conducted to the Cayuga Heights Treatment plant.
- Managed idle funds to acquire a higher rate of return.
- Synchronized traffic lights across the Triphammer bridge.

Date: April 5, 1997
