

**Village of Lansing
Building Sewer Permit**

Village of Lansing
2405 N. Triphammer Road
Ithaca, NY 14850
Phone: 257-0424

Applicant: _____ Date: _____

Applicant's Address: _____

Building Address for Sewer Construction: _____

Tax Map #: _____ - _____ - _____

I am applying for permission to construct the sanitary sewer for the above building, subject to the rules and regulations of the Village Sewer Law (Local Law No. 4, as amended) that apply. This permit is issued in accordance with the sewer units released by the Village of Cayuga Heights according to their letter of May 19, 1994, and with Resolution #2959 of the Village of Lansing, dated June 27, 1994, further amended to reduce fee on June 15, 2015 with Local Law #3,2015.

I agree to absolve the Village of Lansing from any responsibility for future damage or maintenance of this sewer construction.

Contractor performing work: _____

Address: _____
