| Municipality Name | Village of Lansing, NY | Contact Person | Ronny Hardaway |
| Municipality Type | Village | Title | Mayor |
| County | Tompkins | Telephone # | 607-351-8042 |
| Utility | NYSEG | Email | rhardaway@vlansing.org |

Instructions: Complete the Data Entry section below to show that a minimum of 50 percent of all municipal and utility-owned cobra-head-style or decorative-style street lights have been converted to LED within the geographic jurisdiction. Street lights must be roadway lighting. Parking lot lighting or private lighting does not qualify. Complete the certification below and submit at www.nysersda.ny.gov/cec.

Data Entry

Total Number of Street Lights in the Jurisdiction

Number of Cobra Heads

Number of Decorative

Total Number of Street Lights Converted to LED

Number of Cobra Heads

Number of Decorative

Percent of cobra-head-style street lights converted:

Percent of decorative-style street lights converted:

Certification
