The following is Local Law 10 (2022)

**AMENDMENT TO VILLAGE OF LANSING CODE – SUBDIVISION OF LAND**

Be it enacted by the Board of Trustees of the Village of Lansing as follows:

**SECTION I. PURPOSE AND INTENT.**

The purpose of this Local Law is to amend Chapter 125 (entitled “Subdivision of Land”), Article II (entitled “Application Filing Procedure”), subsections of Sections 125-6, 125-7 and 125-8 to clarify the time frames for preliminary and final plat submissions and decisions, and to remove

the word “conditional” as it relates to the approval of a preliminary plat.

SECTION II. AMENDMENT TO THE VILLAGE OF LANSING CODE.

A. Section 125-6 (C) is hereby deleted in its entirety and replaced with the following:

**C. When officially submitted. The time of submission of the preliminary plat shall be considered to be the date of the regular monthly meeting of the Planning Board provided that at least twelve (12) days prior to said meeting the application for approval of the subdivision plat, completed and accompanied by the data required by § 125-29 of these Regulations and by the required fee, was filed with the Village Clerk. <sup>9</sup>**

B. Section 125-6 (G) is hereby deleted in its entirety and replaced with the following:

**G. Action on proposed subdivision plat. The Planning Board shall, within sixty-two (62) days from the close of the public hearing, approve, modify and approve, or disapprove the final subdivision plat. However, the final subdivision plat shall not be signed by the authorized officer of the Planning Board for recording until the subdivider has complied with the provisions of §§ 125-9, 125-10, 125-11 and 125- 12.<sup>12</sup>**

C. Section 125-7 (A)(1) is hereby deleted in its entirety and replaced with the following:

**(1) Prior to the filing of an application for the approval of a major subdivision plat, the subdivider shall file an application for the approval of a preliminary plat of the proposed subdivision. Such preliminary plat shall be clearly marked "preliminary plat" and shall be in the form described in § 125-30 hereof. The preliminary plat shall, in all respects, comply with the requirements set forth in the provisions of §§ 7-728 and 7-730 of the Village Law and § 125-30 of these Regulations, except where a waiver may be specifically authorized by the Planning Board.**

D. Section 125-7 (C) is hereby deleted in its entirety and replaced with the following:

**C. When officially submitted. The time of submission of the preliminary plat shall be considered to be the date of the regular monthly meeting of the Planning Board provided that at least twelve (12) days prior to said meeting the application for approval of the preliminary plat, completed and accompanied by the data required by § 125-30 of these Regulations and by the required fee, was filed with the Village Clerk.<sup>14</sup>**

E. Section 125-7 (G) is hereby deleted in its entirety and replaced with the following:

**G. Action on preliminary plat. <sup>16</sup>**

**(1) Within sixty-two (62) days after the close of such hearing, the Planning Board shall take action to approve, with or without modifications, or disapprove the preliminary plat. The grounds for requiring any modifications or for disapproving the preliminary plat shall be stated in the records of the Planning Board.**

**(2) The time in which the Planning Board must take action on such plat may be extended by mutual consent of the subdivider and the Planning Board. Failure of the Planning Board to act within a sixty-two-day period shall constitute an approval of the preliminary plat.**

F. Section 125-7(H) is hereby deleted in its entirety and replaced with the following:

**H. Approval of a preliminary plat.**

**(1) When granting approval of a preliminary plat, the Planning Board shall indicate the terms of such approval, if any, with respect to the modifications to the preliminary plat and the character and extent of the required improvements for which waivers may have been requested and which, in its opinion, may be waived without jeopardy to the public health, safety, morals and general welfare.<sup>17</sup>**

**(2) The action of the Planning Board plus any modifications attached thereto shall be noted on two (2) copies of the preliminary plat. One (1) copy shall be returned to the subdivider and one (1) retained by the Village.<sup>18</sup>**

**(3) Approval of a preliminary plat shall not constitute approval of the final plat, but rather it shall be deemed an expression of approval of the design submitted on the preliminary plat as a guide to the preparation of the final plat, which will be submitted for approval of the Planning Board and for recording upon fulfillment of the requirements of these Regulations and the modifications, if any.**

**(4) Prior to approval of the final plat, the Planning Board may require additional changes as a result of further study of the subdivision in final form or as a result of new information obtained at the public hearing or otherwise.**

G. Section 125-8(A) is hereby deleted in its entirety and replaced with the following:

**A. Application and fee. The subdivider shall, within six (6) months after the approval of the preliminary plat, file with the Planning Board an application for approval of the subdivision plat in final form, using the approved application blank from the Clerk of the Village. All applications made in accordance with the terms of this section shall be accompanied by such fees as are determined in accordance with the provisions of § 125-18 of these Regulations. If the final plat is not submitted within six (6) months after the approval of the preliminary plat, the Planning Board may refuse to approve the final plat and require resubmission of the preliminary plat.<sup>19</sup>**

H. Section 125-8(G) is hereby deleted in its entirety and replaced with the following:

**G. Action on proposed final plat. The Planning Board shall, within sixty-two (62) days from the close of the public hearing, approve, modify and approve, or disapprove the final subdivision plat. However, the final subdivision plat shall not be signed by the authorized officer of the Planning Board for recording until the subdivider has complied with the provisions of §§ 125-9, 125-10, 125-11, 125-12 and 125-22D.**

SECTION III. SUPERSEDING EFFECT.

All local laws, resolutions, rules, regulations and other enactments of the Village of Lansing in conflict with the provisions of this local law are hereby superseded to the extent necessary to give this local law full force and effect.

SECTION IV. VALIDITY.

The invalidity of any provision of this local law shall not affect the validity of any other provision of this local law that can be given effect without such invalid provision.

SECTION V. EFFECTIVE DATE.

This Local Law shall be effective upon its filing in the office of the Secretary of State.

**Public Hearing Proposed Law I (2022)-1203**

Motion - To Open the Public Hearing for Proposed Local Law I (2022) Amendment to the Village of Lansing Code-Chapter 75 (entitled “UNIFORM FIRE PREVENTION AND BUILDING CODE ADMINISTRATION AND ENFORCEMENT”

Hardaway moved to set a public hearing. Ainslie seconded the motion. A vote was taken:

Mayor Ronny Hardaway-Aye  
Trustee Carolyn Greenwald-Aye  
Trustee Jeff Dobbin-Aye

Trustee Susan Ainslie-Aye  
Trustee Patricia O’Rourke-Aye

This law is in conformance with the State updating the 1203, which needs to be enacted by all municipalities by the end of the year. The biggest change is the operating permit.

Hardaway stated that Attorney French did some research on what other municipalities were charging for violation fees. The current Village fees, \$250/day per violation, seem to be in line with other municipalities. Scott stated that there are minimum standards and we would need approval from the State if you were to go over \$1,000.

Scott had recommended removing R-1 from the proposed law at the Thursdays meeting. Since the Health Department already does annual inspections of R-1, he did not think it was necessary. The Village has a great relationship with the Health Department. If any of the R-1’s in the Village have violations the Health Department lets the Village know. We will still go in every three years to do fire inspections of R-1 properties.

There were no public present. Hardaway asked the Board if they thought this was significant enough to hold the public hearing open for another meeting. The Board did not think it was.

Motion - To Close the Public Hearing for Proposed Local Law I (2022) Amendment to the Village of Lansing Code-Chapter 75 (entitled “UNIFORM FIRE PREVENTION AND BUILDING CODE ADMINISTRATION AND ENFORCEMENT”

Hardaway moved to close the public hearing. O’Rourke seconded the motion. A vote was taken:

Mayor Ronny Hardaway-Aye  
Trustee Carolyn Greenwald-Aye  
Trustee Jeff Dobbin-Aye

Trustee Susan Ainslie-Aye  
Trustee Patricia O’Rourke-Aye

**SEQR Proposed Local Law I**

Hardaway went through the Short Environmental Assessment Form. Scott stated that the Trustees are the lead agency on this.

**Resolution #6903- SEQR Review Negative Declaration of Proposed Local Law I (2022)**

**WHEREAS:**

- A. This matter involves consideration of the following proposed action: To amend the Village of Lansing Code Chapter 75 “UNIFORM FIRE PREVENTION AND BUILDING CODE ADMINISTRATION AND ENFORCEMENT”; and
- B. On November 21, 2022, the Village of Lansing Board of Trustees, in performing the lead agency function for its independent and uncoordinated environmental review in accordance with Article 8 of the New York State Environmental Conservation Law - the State Environmental Quality Review Act (“SEQR”), (i) determined that the proposed action provided for herein is an Unlisted Action in accordance with SEQR; (ii) thoroughly reviewed the Short Environmental Assessment Form (the “Short EAF”), and any and all other documents prepared and submitted with respect to this proposed action and its environmental review; (iii) completed its thorough analysis of the potential relevant areas of environmental concern to determine if the proposed action may have a significant adverse impact on the environment, including the criteria identified in 6 NYCRR Section 617.7(c); and (iv) completed the Short EAF; and

**NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:**

- 1. The Village of Lansing Board of Trustees, based upon (i) its thorough review of the Short EAF, Part 1, and any and all other documents prepared and submitted with respect to this proposed action and its environmental review [including any Visual Environmental Assessment Form deemed required, and comments and recommendations, if any, provided by the Tompkins County Department of Planning in accordance with General Municipal Law Sections 239-1 and 239-m], (ii) its thorough review of the potential relevant areas of environmental concern to determine if the proposed action may have a significant adverse impact on the

environment, including the criteria identified in 6 NYCRR Section 617.7(c), and (iii) its completion of the short EAF, Part II, including the findings noted thereon (which findings are incorporated herein as if set forth at length), hereby makes a negative determination of environmental significance (“**NEGATIVE DECLARATION**”) in accordance with SEQR for the above referenced proposed action, and determines that an Environmental Impact Statement will not be required; and

2. The Responsible Officer of the Village of Lansing Board of Trustees is hereby authorized and directed to complete and sign as required the Short EAF, Part III confirming the foregoing **NEGATIVE DECLARATION**, which fully completed and signed Short EAF shall be attached to and made a part of this Resolution.

*Hazardous Production Materials*—shall mean a solid, liquid, or gas associated with semiconductor manufacturing that has a degree-of-hazard rating in health, flammability or instability of Class 3 or 4, as ranked by NFPA 704 (Standard System for Identification of the Hazards of Materials for Emergency Response), and which is used directly in research, laboratory, or production processes which have, as their end product, materials that are not hazardous.

*Inspector*-- shall mean an inspector appointed pursuant to subdivision (D) of section 75-4 of this Chapter 75.

*Mobile food preparation vehicles* --shall mean vehicles that contain cooking equipment that produces smoke or grease-laden vapors for the purpose of preparing and serving food to the

public. Vehicles intended for private recreation shall not be considered mobile food preparation vehicles.

*Operating Permit*-- shall mean a permit issued pursuant to section 75-11 of this Chapter

75. The term "Operating Permit" shall also include an Operating Permit which is renewed, amended or extended pursuant to any provision of this Chapter 75.

*Order to Remedy*-- shall mean an order issued by the Code Enforcement Officer pursuant to subdivision (A) of section 75-16 of this Chapter 75.

*Permit Holder*-- shall mean the Person to whom a Building Permit has been issued.

*Person*-- shall include an individual, corporation, limited liability company, partnership, limited partnership, business trust, estate, trust, association, or any other legal or commercial entity of any kind or description.

*RCNYS*—shall mean the Residential Code of New York State as currently in effect and as hereafter amended from time to time.

*Repair*—shall mean the reconstruction, replacement, or renewal of any part of an existing building for the purpose of its maintenance or to correct damage.

*Stop Work Order*-- shall mean an order issued pursuant to section 75-7 of this Chapter 75.

*Sugarhouse*—shall mean a building used, in whole or in part, for the collection, storage or processing of maple sap into maple syrup and/or maple sugar.

*Temporary Certificate*-- shall mean a certificate issued pursuant to subdivision (D) of section 75-8 of this Chapter 75.

*Uniform Code*-- shall mean the New York State Uniform Fire Prevention and Building Code, as currently in effect and as hereafter amended from time to time.

*Village*-- shall mean the Village of Lansing.

#### **75-4. Code Enforcement Officer and Inspectors.**

- A. The office of Code Enforcement Officer is hereby created. The Code Enforcement Officer shall administer and enforce all the provisions of the Uniform Code, the Energy Code and this Chapter 75. The Code Enforcement Officer shall have the following powers and duties:
- (1) To receive, review, and approve or disapprove applications for Building Permits, Certificates of Occupancy, Certificates of Compliance, Temporary Certificates and Operating Permits, and the plans, specifications and construction documents submitted with such applications;
  - (2) Upon approval of such applications, to issue Building Permits, Certificates of Occupancy, Certificates of Compliance, Temporary Certificates and Operating Permits, and to include in Building Permits, Certificates of Occupancy, Certificates of Compliance, Temporary Certificates and Operating Permits such terms and conditions as the Code Enforcement Officer may determine to be appropriate;
  - (3) To conduct construction inspections, inspections to be made prior to the issuance of Certificates of Occupancy, Certificates of Compliance, Temporary Certificates and Operating Permits, fire safety and property maintenance inspections, inspections

incidental to the investigation of complaints, and all other inspections required or permitted under any provision of this Chapter 75;

- (4) To issue Stop Work Orders;
  - (5) To review and investigate complaints;
  - (6) To issue orders pursuant to subdivision (A) of section 75-16 (Violations) of this Chapter 75;
  - (7) To maintain records;
  - (8) To collect fees as set by the Board of Trustees of the Village;
  - (9) To pursue administrative enforcement actions and proceedings;
  - (10) To pursue such legal actions and proceedings as may be necessary to enforce the Uniform Code, the Energy Code and this Chapter 75, or to abate or correct conditions not in compliance with the Uniform Code, the Energy Code or this Chapter 75, provided such legal actions and proceedings have been authorized by the Board of Trustees of the Village; and
  - (11) To exercise all other powers and fulfill all other duties conferred upon the Code Enforcement Officer by this Chapter 75.
- B. The Code Enforcement Officer shall be appointed by the Board of Trustees of the Village. The Code Enforcement Officer shall possess background experience related to building construction or fire prevention and shall, within the time prescribed by law, obtain such basic training, in-service training, advanced in-service training and other training as the State of New York shall require for code enforcement personnel, and the Code Enforcement Officer shall obtain certification from the State Fire Administrator pursuant to the Executive Law and the regulations promulgated thereunder.
- C. In the event that the Code Enforcement Officer is unable to serve as such for any reason, an individual shall be appointed by the Board of Trustees of the Village to serve as Acting Code Enforcement Officer. The Acting Code Enforcement Officer shall, during the term of his/her appointment, exercise all powers and fulfill all duties conferred upon the Code Enforcement Officer by this Chapter 75.
- D. One or more Inspectors may be appointed by the Board of Trustees of the Village to act under the supervision and direction of the Code Enforcement Officer and to assist the Code Enforcement Officer in the exercise of the powers and fulfillment of the duties conferred upon the Code Enforcement Officer by this Chapter 75. Each Inspector shall, within the time prescribed by law, obtain such basic training, in- service training, advanced in-service training and other training as the State of New York shall require for code enforcement personnel, and each Inspector shall obtain certification from the State Fire Administrator pursuant to the Executive Law and the regulations promulgated thereunder.
- E. The compensation for the Code Enforcement Officer and Inspectors shall be fixed from time to time by the Board of Trustees of the Village.
- F. The Code Enforcement Officer may, at his/her discretion, accept and rely upon written reports by licensed design professionals, by accredited and authoritative testing laboratories, service and inspection bureaus and agencies, or a qualified person who shall demonstrate competence, to the satisfaction of the Code Enforcement Officer, for inspection of the particular type of construction, system or operation requiring inspection.
- G. Where the Code Enforcement Officer determines that, due to special circumstances of a particular project or application, compliance with certain requirements of this law is not requisite in the interest of public health, safety and general welfare or is inappropriate because of special circumstances of a particular project or application, the Code

Enforcement Officer may waive such requirements subject to appropriate conditions, provided that such waiver shall not have the effect of nullifying the intent and purpose of this law, the Uniform Code, and/or the Energy Code.

#### **75-5. Building Permits.**

- A. **Building Permits Required.** Except as otherwise provided in subdivision (B) of this section, a Building Permit shall be required for any work which must conform to the Uniform Code and/or the Energy Code, including, but not limited to, the construction, enlargement, alteration, improvement, removal, relocation or demolition of any building or structure or any portion thereof, and the installation of a solid fuel burning heating appliance, chimney or flue in any dwelling unit. No Person shall commence any work for which a Building Permit is required without first having obtained a Building Permit from the Code Enforcement Officer.
- B. **Exemptions.** No Building Permit shall be required for work in any of the following categories except as required by Chapter 145 of the Village of Lansing Code:
  - (1) Construction or installation of one story detached structures associated with one- or two-family dwellings or multiple single-family dwellings (townhouses) which are used for tool and storage sheds, playhouses or similar uses, provided the gross floor area does not exceed 144 square feet (13.88 square meters);

  - (5) Painting, wallpapering, tiling, carpeting, or other similar finish work;
  - (6) Installation of listed portable electrical, plumbing, heating, ventilation or cooling equipment or appliances;
  - (7) Replacement of any equipment provided the replacement does not alter the equipment's listing or render it inconsistent with the equipment's original specifications; or
  - (8) Repairs, provided that such repairs does not have an impact on fire and life safety, such as: (i) any part of the structural system; (ii) the required means of egress; or (iv) the fire protection system or the removal from services of any part of the fire protection system for any period of time.
- C. **Exemption not deemed authorization to perform non-compliant work.** The exemption from the requirement to obtain a building permit for work in any category set forth in subdivision (B) of this section shall not be deemed an authorization for work to be performed in violation of the Uniform Code or the Energy Code.
- D. **Applications for Building Permits.** Applications for a Building Permit shall be made in writing on a form provided by or otherwise acceptable to the Code Enforcement Officer. The application shall be signed by the owner of the property where the work is to be performed or an authorized agent of the owner. The application shall include such information as the Code Enforcement Officer deems sufficient to permit a determination by the Code Enforcement Officer that the intended work complies with all applicable requirements of the Uniform Code, the Energy Code and all other applicable codes, laws, rules and regulations. The application shall include or be accompanied by the following

information and documentation:

- (1) A description of the location, nature, extent, and scope of the proposed work;
  - (2) The tax map number and the street address of any affected building or structure;
  - (3) The occupancy classification of any affected building or structure;
  - (4) Where applicable, a statement of special inspections prepared in accordance with the provisions of the Uniform Code; and
  - (5) At least 2 sets of construction documents (drawings and/or specifications) which must contain the following information and/or documentation in sufficient detail:
    - (i) describing the location, nature, extent, and scope of the proposed work; (ii) evidence that the documents were prepared by a New York State registered and licensed architect or registered and licensed professional engineer where so required by the Education Law including but not limited to the design professional's seal which clearly and legibly shows both the design professional's name and license number and is signed by the design professional whose name appears on the seal in such a manner that neither the name nor the number is obscured in any way, the design professional's registration expiration date, the design professional's firm name (if not a sole practitioner), and, if the documents are submitted by a professional engineering firm and not a sole practitioner professional engineer, the firm's Certificate of Authorization number; (iii) showing the location, construction, size, and character of all portions of the means of egress; (iv) showing that the proposed work will conform with the Codes and all other applicable codes, laws, rules and regulations; (v) showing structural information including but not limited to braced wall designs; the size, section, and relative locations of structural members; design loads; and other pertinent structural information; (vi) showing the proposed structural, electrical, plumbing, mechanical, fire-protection, and other service systems of the building; (vii) a written statement indicating compliance with the Energy Code; (viii) a site plan, drawn to scale and drawn in accordance with an accurate boundary survey, showing the size and location of new construction and existing structures and appurtenances on the site; distances from lot lines; the established street grades and the proposed finished grades; and, as applicable, flood hazard areas, floodways, and design flood elevations; (ix) showing a representation of the building thermal envelope; and (x) include any other information and documentation that the Code Enforcement Officer may deem necessary to allow the Code Enforcement Personnel to determine the proposed work conforms to the Codes; and
  - (6) Any other information and documentation that the Code Enforcement Officer may deem necessary to allow the Code Enforcement Personnel to determine that the proposed work conforms to the Code.
- E. Construction documents. Construction documents will not be accepted as part of an application for a Building Permit unless they satisfy the requirements set forth in paragraph (5) of subdivision (D) of this section. Construction documents which are accepted as part of the application for a Building Permit shall be marked as accepted by the Code Enforcement Officer in writing or by stamp, or in the case of electronic media, an electronic marking. One set of the accepted construction documents shall be retained by the Code Enforcement Officer, and one set of the accepted construction documents shall be returned to the applicant to be available at the work site for use by the Code Enforcement Personnel.

However, the return of a set of accepted construction documents to the applicant shall not be construed as authorization to commence work, nor as an indication that a Building Permit will be

issued, nor that the plans are deemed to comply with applicable codes, laws, rules and regulations except in combination with such conditions as may be attached by the Code Enforcement Officer. Work shall not be commenced until and unless a Building Permit is issued.

- F. Issuance of Building Permits. An application for a Building Permit or amendment thereto shall be examined to ascertain whether the proposed work is in compliance with the applicable requirements of the Uniform Code, Energy Code, and all other applicable codes, laws, rules and regulations. In the event that the construction documents do not comply with the applicable requirements of the Uniform Code, Energy Code, and all other applicable codes, laws, rules and regulations the Code Enforcement Officer may attach comments and conditions which shall take precedence over any inconsistent provisions of the construction documents. The Code Enforcement Officer shall issue a Building Permit if the construction documents, or the construction documents together with comments and conditions provided by the Code Enforcement Officer as indicated above, are in compliance with the applicable requirements of the Uniform Code, Energy Code, and all other applicable codes, laws, rules and regulations.
- G. Building Permits to be displayed. Where required by the Code Enforcement Officer, building permits shall be visibly displayed at the work site and shall remain visible until the authorized work has been completed.
- H. Work to be in accordance with construction documents. All work shall be performed in accordance with (1) the approved building permit application including any supporting information and documentation, such as construction documents, written statements, submittal documents, etc. and (2) the Code Enforcement Officer's comments and conditions attached to the Building Permit, which comments and conditions shall take precedence over any inconsistent provisions of the construction documents, as provided in subsection F of section 75-5 above. The Building Permit shall contain such a directive. The Permit Holder shall immediately notify the Code Enforcement Officer of any change occurring during the course of the work. The Building Permit shall contain such a directive. If the Code Enforcement Officer determines that such change warrants a new or amended Building Permit, such change shall not be made until and unless a new or amended Building Permit reflecting such change is issued.
- I. Time limits. Building Permits shall become invalid unless the authorized work is commenced within 6 months following the date of issuance. Building Permits shall expire 12 months after the date of issuance. A Building Permit which has become invalid, or which has expired pursuant to this subdivision may be renewed upon application by the Permit Holder, payment of the applicable fee, and approval of the application by the Code Enforcement Officer. The Code Enforcement Officer shall approve such applications only if significant progress has been demonstrated since the permit or any extension thereto was last issued, or if compelling circumstances preventing significant progress are documented.
- J. Revocation or suspension of Building Permits. If the Code Enforcement Officer determines that a Building Permit was issued in error because of incorrect, inaccurate or incomplete information, or that the work for which a Building Permit was issued violates the Uniform Code or the Energy Code, the Code Enforcement Officer shall revoke the Building Permit or suspend the Building Permit until such time as the Permit Holder demonstrates that (1) all work then completed is in compliance with all applicable provisions of the Uniform Code and the Energy Code and (2) all work then proposed to be performed shall be in compliance with all applicable provisions of the Uniform Code and the Energy Code.

- K. Fee. The fee specified in or determined in accordance with the provisions set forth in section 75-17 (Fees) of this Chapter 75 must be paid at the time of submission of an application for a Building Permit, for an amended Building Permit, or for renewal of a Building Permit.

**75-6. Construction Inspections.**

- A. The Code Enforcement Officer or an Inspector authorized by the Code Enforcement Officer shall perform construction inspections pursuant to this section either in person or remotely. Remote inspections in lieu of in-person inspections may be performed when, at the discretion of the Code Enforcement Officer, the remote inspection can be performed to the same level and quality as an in-person inspection and the remote inspection shows to the satisfaction of the Code Enforcement Officer that all elements of the construction process conform with the applicable requirements of the Codes. Should a remote inspection not afford the Code Enforcement Officer sufficient information to make a determination, an in-person inspection shall be performed.
- B. Work to remain accessible and exposed. Work shall remain accessible and exposed until inspected and accepted by the Code Enforcement Officer or by an Inspector authorized by the Code Enforcement Officer. The Permit Holder shall notify the Code Enforcement Officer when any element of work described in subdivision (C) of this section is ready for inspection.
- C. Elements of work to be inspected. The following elements of the construction process shall be inspected, where applicable:
  - (1) Worksite prior to the issuance of a permit;
  - (2) Footing and foundation;
  - (3) Preparation for concrete slab;
  - (4) Framing;
  - (5) Structural, electrical, plumbing, mechanical, fire-protection, and other similar service systems of the building;
  - (6) Fire resistant construction;
  - (7) Fire resistant penetrations;
  - (8) Solid fuel burning heating appliances, chimneys, flues or gas vents;
  - (9) Inspections required to demonstrate Energy Code compliance, including but not limited to insulation, fenestration, air leakage, system controls, mechanical equipment size, and where required, minimum fan efficiencies, programmable thermostats, energy recovery, a whole-house ventilation, plumbing heat traps, high – performance lights, and controls;
  - (10) Installation, connection, and assembly of factory manufactured buildings and manufactured homes; and
  - (11) A final inspection after all work authorized by the Building Permit has been completed.
- D. Inspection results. After inspection, the Code Enforcement Officer shall note the work or a portion thereof to be satisfactory as completed, or the Permit Holder shall be notified as to the manner in which the work fails to comply with the Codes, including a citation to the specific code provision(s) that have not been met. Work not in compliance with any applicable provision of the Codes shall remain exposed until such work shall have been brought into compliance with all applicable provisions of the Codes, reinspected, and found satisfactory as completed.
- E. Fee. The fee specified in or determined in accordance with the provisions set forth in section 75-17 (Fees) of this Chapter 75 must be paid prior to or at the time of each inspection

performed pursuant to this section, or, in any case, prior to the issuance of a Certificate of Compliance.

**75-7. Stop Work Orders.**

- A. Authority to issue. The Code Enforcement Officer is authorized to issue Stop Work Orders pursuant to this section. The Code Enforcement Officer shall be authorized to issue a Stop Work Order to halt:
  - (1) Any work that is determined by the Code Enforcement Officer to be contrary to any applicable provision of the Uniform Code or Energy Code, without regard to whether such work is or is not work for which a Building Permit is required, and without regard to whether a Building Permit has or has not been issued for such work, or
  - (2) Any work that is being conducted in a dangerous or unsafe manner in the opinion of the Code Enforcement Officer, without regard to whether such work is or is not work for which a Building Permit is required, and without regard to whether a Building Permit has or has not been issued for such work, or
  - (3) Any work for which a Building Permit is required which is being performed without the required Building Permit, or under a Building Permit that has become invalid, has expired, has been suspended or revoked, or was issued in error.
- B. Content of Stop Work Orders. Stop Work Orders shall:
  - (1) Be in writing;
  - (2) Be dated and signed by the Code Enforcement Officer;
  - (3) State the reason or reasons for issuance; and
  - (4) If applicable, state the conditions which must be satisfied before work will be permitted to resume.
- C. Service of Stop Work Orders. The Code Enforcement Officer shall cause the Stop Work Order, or a copy thereof, to be served on the owner of the affected property (and, if the owner is not the Permit Holder, on the Permit Holder) personally or by certified mail. The Code Enforcement Officer shall be permitted, but not required, to cause the Stop Work Order, or a copy thereof, to be served on any builder, architect, tenant, contractor, subcontractor, construction superintendent, or their agents, or any other Person taking part or assisting in work affected by the Stop Work Order, personally or by certified mail; provided, however, that failure to serve any Person mentioned in this sentence shall not affect the efficacy of the Stop Work Order.
- D. Effect of Stop Work Order. Upon the issuance of a Stop Work Order, the owner of the affected property, the Permit Holder and any other Person performing, taking part in or assisting in the work shall immediately cease all work which is the subject of the Stop Work Order.
- E. Remedy not exclusive. The issuance of a Stop Work Order shall not be the exclusive remedy available to address any event described in subdivision (A) of this section, and the authority to issue a Stop Work Order shall be in addition to, and not in substitution for or limitation of, the right and authority to pursue any other remedy or impose any other penalty under section 75-16 (Violations) of this Chapter 75 or under any other applicable local law or State law. Any such other remedy or penalty may be pursued at any time, whether prior to, at the time of, or after the issuance of a Stop Work Order.

## **75-8. Certificate of Occupancy, Certificates of Compliance and Temporary Certificate of Occupancy.**

- A. Certificate of Occupancy or Certificates of Compliance required. A Certificate of Occupancy or Certificate of Compliance shall be required for any work which is the subject of a Building Permit and required to comply with the Uniform Code and/or Energy Code and for all structures, buildings, or portions thereof, which are converted from one use or occupancy classification or subclassification to another. Permission to use or occupy a building or structure, or portion thereof, for which a Building Permit was previously issued, or which has been converted from one use or occupancy classification or subclassification to another, shall be granted only by issuance of a Certificate of Occupancy or Certificate of Compliance.
- B. Issuance of Certificate of Occupancy or Certificates of Compliance. The Code Enforcement Officer shall issue a Certificate of Compliance if the work which was the subject of the Building Permit was completed in accordance with all applicable provisions of the Uniform Code, Energy Code, and all other applicable codes, laws, rules and regulations and, if applicable, that the structure, building or portion thereof that was converted from one use or occupancy classification or subclassification to another complies with all applicable provisions of the Uniform Code, Energy Code, and all other applicable codes, laws, rules and regulations. The Code Enforcement Officer or an Inspector authorized by the Code Enforcement Officer shall inspect the building, structure or work prior to the issuance of a Certificate of Occupancy or Certificate of Compliance. In addition, where applicable, the following documents, prepared in accordance with the provisions of the Uniform Code by such person or persons as may be designated by or otherwise acceptable to the Code Enforcement Officer, at the expense of the applicant for the Certificate of Occupancy or Certificate of Compliance, shall be provided to the Code Enforcement Officer prior to the issuance of the Certificate of Occupancy or Certificate of Compliance:
- (1) A written statement of structural observations and/or a final report of special inspections and determination by the Code Enforcement Officer that the information in such written statements or report adequately demonstrates compliance with the applicable provision of the Uniform Code;
  - (2) Flood hazard certifications and determination by the Code Enforcement Officer that the information in such certification adequately demonstrates compliances with the applicable provision of the Uniform Code;
  - (3) Written statement of the results of tests performed to show compliance with the Energy Code and determination by the Code Enforcement Officer that the information in such statements adequately demonstrates compliance with the applicable provision of the Energy Code; and/or
  - (4) Verification of the affixation of the appropriate seals, insignias and manufacturers' data plates as required for factory manufactured buildings and/or manufactured homes.
- C. Contents of Certificates of Compliance. A Certificate of Compliance shall contain the following information:
- (1) The Building Permit number, if any;
  - (2) The date of issuance of the Building Permit, if any;
  - (3) The owner's name and the address and tax map number of the property;
  - (4) If the Certificate of Occupancy or Certificate of Compliance is not applicable to an entire structure, a description of that portion of the structure for which the Certificate

- of Occupancy or Certificate of Compliance is issued;
- (5) The use and occupancy classification of the structure or portion thereof;
  - (6) The type of construction of the structure;
  - (7) The occupant load of the assembly areas of the structure, if any;
  - (8) If an automatic sprinkler system is provided, a notation as to whether the sprinkler system is required;
  - (9) Any special conditions imposed in connection with the issuance of the Building Permit; and
  - (10) The signature of the Code Enforcement Officer issuing the Certificate of Occupancy or Certificate of Compliance and the date of issuance.

D. Temporary Certificate. The Code Enforcement Officer shall be permitted to issue a Temporary Certificate, in accordance with this Chapter 75 and Chapter 145 of the Village of Lansing Code, allowing the temporary occupancy of a building or structure, or a portion thereof, prior to completion of the work which is the subject of a Building Permit. However, in no event shall the Code Enforcement Officer issue a Temporary Certificate unless the Code Enforcement Officer determines:

- (1) That the building or structure, or the portion thereof covered by the Temporary Certificate, may be occupied safely,
- (2) That any required fire and life safety components, such as fire protection equipment and fire, smoke, carbon monoxide, and heat detectors and alarms are installed and operational, and
- (3) That all required means of egress from the building or structure have been provided.

The Code Enforcement Officer may include in a Temporary Certificate such terms and conditions as he or she deems necessary or appropriate to ensure safety or to further the purposes and intent of the Uniform Code. A Temporary Certificate shall be effective for a period of time, not to exceed 6 months, which shall be determined pursuant to Chapter 145 of the Village of Lansing Code and specified in the Temporary Certificate. During the specified period of effectiveness of the Temporary Certificate, the Permit Holder shall undertake to bring the building or structure into full compliance with all applicable provisions of the Uniform Code, Energy Code, and all other applicable codes, laws, rules and regulations. The Temporary Certificate shall specify the portion or portions of the building or structure that may be occupied pursuant to the Temporary Certificate, and any special terms or conditions of such occupancy that Code Enforcement Officer may deem to be appropriate to ensure the health and safety of the persons occupying and using the building or structure and/or performing further construction work in the building or structure and include all information mentioned in subsection (C) of this section.

- E. Revocation or suspension of certificates. If the Code Enforcement Officer determines that a Certificate of Occupancy, Certificate of Compliance or a Temporary Certificate was issued in error because of incorrect, inaccurate or incomplete information, and if the relevant deficiencies are not corrected to the satisfaction of the Code Enforcement Officer within such period of time as shall be specified by the Code Enforcement Officer, the Code Enforcement Officer shall revoke or suspend such certificate.
- F. Fee. The fee specified in or determined in accordance with the provisions set forth in section 75-17 (Fees) of this Chapter 75 must be paid at the time of submission of an application for

a Certificate of Compliance or for Temporary Certificate.

#### **75-9. Notification Regarding Fire or Explosion.**

The chief of any fire department providing firefighting services for a property within the Village of Lansing shall promptly notify the Code Enforcement Officer of any fire or explosion involving any structural damage, fuel burning appliance, chimney or gas vent.

#### **75-10. Unsafe Building and Structures.**

Unsafe structures and equipment in the Village shall be identified and addressed in accordance with the following procedures:

- A. Inspection by Code Enforcement Officer; Report. When in the opinion of the Code Enforcement Officer, any building or structure located in the Village shall be deemed to be dangerous or unsafe to the Public because:
  - (1) Its structural condition is or may become dangerous or unsafe to the public; or
  - (2) It is open at the doorways or windows or walls, making it accessible to and an object of attraction to minors under eighteen (18) years of age, as well as to vagrants and other trespassers; or
  - (3) It is or may become a place of infestation by rodents or other animals; or
  - (4) It consists of debris, rubble or parts of buildings left on the ground after demolition, reconstruction, fire or other casualty; or
  - (5) It presents any other danger to the health, safety, morals and general welfare of the public, the Code Enforcement Officer shall make a formal inspection thereof and report in writing to the Board of Trustees of the Village his/her findings and recommendations in regard to the building's or structure's removal or repair.
- B. Service of Notice.
  - (1) The Board of Trustees of the Village shall thereafter consider said report and, if it finds from said report that there are grounds to believe that such building or buildings are dangerous or unsafe to the public, the Board of Trustees of the Village, by resolution, shall order its removal or repair if the same can be safely repaired and further order that a notice shall be personally served upon the owner or someone of the owner's executors, legal representatives, agents, lessees or any other person having a vested or contingent interest in the premises, as shown by the records of the receiver of taxes and/or by the records of the Tompkins County Clerk's office.
  - (2) If no such person can reasonably be found, then notice shall be served by mailing a copy of such notice to such person or corporation by registered mail, addressed to their last known address, and by securely posting a copy of such notice upon said premises.
- C. Contents of Notice. Said notice shall contain the following statements:
  - (1) A description of the premises by metes and bounds or by filed deed reference.
  - (2) A statement of the particulars in which the building or structure is unsafe or dangerous.
  - (3) An order requiring the same to be made safe and secure or removed.
  - (4) That the securing or removal of the said building or structure shall commence within thirty (30) days of the service of the notice and shall be completed within sixty (60) days

thereafter.

Such notice shall further provide that in case the owner and such persons having an interest in the property or structure as herein prescribed wish to contest the order, that a hearing will be held before the Board of Trustees of the Village at a time and place specified and that in the event such owner or persons having an interest shall fail to contest such order and fail to comply with same, the Board of Trustees of the Village will order the repair or removal of such building or structure by the Village.

If the Village shall repair or remove said building or structure, the land on which said buildings or structures are located will be assessed for all costs and expense incurred by the Village in connection with the proceedings to remove or secure, including the cost of actually removing said building or structure; or, in the alternative, that the Board of Trustees of the Village shall commence a special proceeding in a court of competent jurisdiction to collect the costs of demolition, including reasonable and necessary legal expenses incidental to obtaining an order to demolish.

D. Copy to be Filed with County Clerk.

A copy of such notice shall be filed in the office of the Tompkins County Clerk, which notice shall be filed by such Clerk in the same manner as a notice of pendency, pursuant to Article 65 of the Civil Practice Law and Rules and shall have the same effect as a notice of pendency as therein provided, except as otherwise herein provided. A notice so filed shall be effective for a period of one (1) year from the date of filing; provided, however, that it may be vacated upon the order of a judge or Justice of a court of record upon the consent of the Village's attorney. The County Clerk shall mark such notice and any record or docket thereof as canceled of record upon the presentation and filing of such consent or of a certified copy of such order.

(1) At the time and date specified in the notice to repair or demolish, the Board of Trustees of the Village shall conduct the public hearing. It may adjourn from time to time until the hearing is completed and until all interested parties are heard. At the conclusion of the hearing, the Board of Trustees of the Village shall determine to revoke the order to repair or remove; or continue said order and direct the owner and other persons to complete the work within a specified time which shall be reasonable as to the time needed to perform the work and the necessity to protect the general public.

(2) In the event that the owner fails or refuses to repair or remove such building or structure within the time provided, the Village shall remove said building or structure.

E. Emergency Cases.

Where it reasonably appears that there is present a clear and imminent danger to the life, safety or health of any person or property, unless an unsafe building or structure is immediately repaired and secured or demolished, the Board of Trustees of the Village may, by resolution, authorize the Code Enforcement Officer to immediately cause the repair or demolition of such unsafe building or structure. The expenses of such repair or demolition shall be a charge against the land on which it is located and shall be assessed, levied and collected as provided below.

F. Collection of Costs Incurred.

All costs and expense incurred by the Village in connection with the proceedings to remove or secure such building or buildings, including the actual cost of repairing or removal and

administrative and legal fees, shall be assessed upon the land upon which said building or buildings are located. Such assessment shall be assessed on the next Village assessment roll as an additional tax to the regular tax assessed against such property and the same shall be levied and collected in the same manner as the regular Village tax. In the alternative, the Board of Trustees of the Village may commence a special proceeding in a court of competent jurisdiction to collect the costs of demolition, including reasonable and necessary legal expenses incidental to obtaining an order to demolish, from the owner of any building or structure that may now be or shall hereafter become dangerous or unsafe to the public. The provisions of Article 4 of the Civil Practice Law and Rules shall govern any special proceeding commenced under this section.

#### **75-11. Operating Permits.**

A. Operating Permits required. Operating Permits shall be required for conducting the activities or using the categories of buildings listed below:

- (1) Manufacturing, storing or handling hazardous materials in quantities exceeding those listed in the applicable Maximum Allowable Quantity tables found in Chapter 50 of the FCNYS;
- (2) Buildings, structures, facilities, processes and/or activities that are within the scope and/or permit requirements of the chapter or section title of the FCNYS listed and described as follows:
  - a) Chapter 22, “Combustible Dust Producing Operations” Facilities where the operation produces combustible dust;
  - b) Chapter 24, “Flammable Finishes.” Operations utilizing flammable or combustible liquids, or the application of combustible powders regulated by Chapter 24 of the FCNYS;
  - c) Chapter 25, “Fruit and Crop Ripening.” Operating a fruit- or crop-ripening facility or conducting a fruit-ripening process using ethylene gas;
  - d) Chapter 26, “Fumigation and Insecticidal Fogging.” Conducting fumigation or insecticidal fogging operations in buildings, structures, and spaces, except for fumigation or insecticidal fogging performed by the occupant of a detached one-family dwelling;
  - e) Chapter 31, “Tents, Temporary Special Event Structures, and Other Membrane Structures.” Operating an air-supported temporary membrane structure, a temporary special event structure, or a tent where approval is required pursuant to Chapter 31 of the FCNYS;
  - f) Chapter 32, “High-Piled Combustible Storage.” High-piled combustible storage facilities with more than 500 square feet (including aisles) of high-piled storage;
  - g) Chapter 34, “Tire Rebuilding and Tire Storage.” Operating a facility that stores in excess of 2,500 cubic feet of scrap tires or tire byproducts or operating a tire rebuilding plant;
  - h) Chapter 35, “Welding and Other Hot Work.” Performing public exhibitions and demonstrations where hot work is conducted, use of hot work, welding, or cutting equipment, inside or on a structure, except an operating permit is not required where work is conducted under the authorization of a building permit or where performed by the occupant of a detached one- or two-

family dwelling;

i) Chapter 40, "Sugarhouse Alternative Activity Provisions." Conducting an alternative activity at a sugarhouse;

j) Chapter 56, "Explosives and Fireworks." Possessing, manufacturing, storing, handling, selling, or using, explosives, fireworks, or other pyrotechnic special effects materials except the outdoor use of sparkling devices as defined by NYS Penal Law section 270;

k) Section 307, "Open Burning, Recreational Fires and Portable Outdoor Fireplaces." Conducting open burning, not including recreational fires and portable outdoor fireplaces;

l) Section 308, "Open Flames." Removing paint with a torch, or using open flames, fire, and burning in connection with assembly areas or educational occupancies; and

m) Section 319, "Mobile Food Preparation Vehicles." Operating a mobile food preparation vehicle.

(3) energy storage systems, where the system exceeds the values shown in Table 1206.1 of the FCNYS or exceeds the permitted aggregate ratings in section R327.5 of the RCNYS;

(4) buildings containing one or more assembly areas;

(5) outdoor events where the planned attendance exceeds 1,000 persons;

(6) facilities that store, handle or use hazardous production materials;

(7) buildings whose use or occupancy classification may pose a substantial potential hazard to public safety, as determined by resolution adopted by the Board of Trustees of the Village;

(8) Residential Group R-2 (as defined by the 2020 Building Code of New York State) occupancies containing sleeping units or more than two dwelling units where the occupants are primarily permanent in nature including: apartment houses, congregate living facilities (non-transient) with more than 16 occupants, boarding houses (non-transient), convents, dormitories, fraternities and sororities, monasteries, hotels (non-transient), live/work units, motels (non-transient), or vacation timeshare properties.

Any person who proposes to undertake any activity or to operate any type of building listed in this subdivision (A) shall be required to obtain an Operating Permit prior to commencing such activity or operation.

B. Applications for Operating Permits. An application for an Operating Permit shall be in writing on a form provided by or otherwise acceptable to the Code Enforcement Officer. Such application shall include such information as the Code Enforcement Officer deems sufficient to permit a determination by the Code Enforcement Officer that quantities, materials, and activities conform to the requirements of the Uniform Code. If the Code Enforcement Officer determines that tests or reports are necessary to verify conformance, such tests or reports shall be performed or provided by such person or persons as may be designated by or otherwise acceptable to the Code Enforcement Officer, at the expense of the applicant.

C. Inspections. The Code Enforcement Officer or an Inspector authorized by the Code Enforcement Officer shall inspect the subject premises prior to the issuance or renewal of an Operating Permit. Such inspections shall be performed either in-person or remotely. Remote inspections in lieu of in-person inspections may be performed when, at the

discretion of the Code Enforcement Officer, the remote inspection can be performed to the same level and quality as an in- person inspection and the remote inspection shows to the satisfaction of the Code Enforcement Officer that the premises conform with the applicable requirements of the Codes and the Village of Lansing Code. Should a remote inspection not afford the Code Enforcement Officer sufficient information to make a determination, an in-person inspection shall be performed. After inspection, the premises shall be noted as satisfactory and the operating permit shall be issued, or the operating permit holder shall be notified as to the manner in which the premises fails to comply with either or both of the Codes and Village of Lansing Code, including a citation to the specific provision or provisions that have not been met.

- D. Multiple Activities. In any circumstance in which more than one activity listed in subdivision (A) of this section is to be conducted at a location, the Code Enforcement Officer may require a separate Operating Permit for each such activity, or the Code Enforcement Officer may, in his/her discretion, issue a single Operating Permit to apply to all such activities.
- E. Duration of Operating Permits. Operating permits shall remain in effect until reissued, renewed, or revoked and shall be issued for the following specified time periods:
  - (1) 180 days for tents, special event structures, and other membrane structures;
  - (2) 60 days for alternative activities at a sugarhouse;
  - (3) 1 year for all other activities, structures, and operations identified in subsection (A) of section 75-11 above.

The effective period of each Operating Permit shall be specified in the Operating Permit. An Operating Permit may be reissued or renewed upon application to the Code Enforcement Officer, payment of the applicable fee, and approval of such application by the Code Enforcement Officer. Operating Permits shall remain in effect until reissued, renewed, revoked, or suspended; or until the Code Enforcement Officer notifies the owner that the permit has expired.

- F. Revocation or suspension of Operating Permits. If the Code Enforcement Officer determines that any activity or building for which an Operating Permit was issued does not comply with any applicable provision of the Uniform Code, such Operating Permit shall be revoked or suspended.
- G. Fee. The fee specified in or determined in accordance with the provisions set forth in section 75-17 (Fees) of this Chapter 75 must be paid at the time submission of an application for an Operating Permit, for an amended Operating Permit, or for reissue or renewal of an Operating Permit.

## **75-12. Fire Safety and Property Maintenance Inspections.**

- A. Inspections required. Fire safety and property maintenance inspections of buildings and structures shall be performed by the Code Enforcement Officer or an Inspector designated by the Code Enforcement Officer at the following intervals:
  - (1) At least once every twelve (12) months for buildings which contain an assembly area;
  - (2) At least once every twelve (12) months for public and private schools and colleges, including any buildings of such schools or colleges containing classrooms, dormitories, fraternities, sororities, laboratories, physical education, dining or recreational facilities;
  - (3) At least once every thirty-six (36) months for multiple dwellings not included in paragraphs (1) or (2) of this subdivision, and all non-residential buildings, structures,

uses and occupancies not included in paragraphs (1) or (2) of this subdivision.

Such inspections shall be performed either in-person or remotely. Remote inspections in lieu of in-person inspections may be performed when, at the discretion of the Code Enforcement Officer, the remote inspection can be performed to the same level and quality as an in-person inspection and the remote inspection shows to the satisfaction of the Code Enforcement Officer that the premises conform with the applicable requirements of the Codes and the Village of Lansing Code. Should a remote inspection not afford the Code Enforcement Officer sufficient information to make a determination, an in-person inspection shall be performed. After inspection, the premises shall be noted as satisfactory, or the owner and operator shall be notified as to the manner in which the premises fails to comply with either or both of the Codes, including a citation to the specific provision or provisions that have not been met

B. Inspections permitted. In addition to the inspections required by subdivision (A) of this section, a fire safety and property maintenance inspection of any building, structure, use, or occupancy, or of any dwelling unit, may also be performed by the Code Enforcement Officer or an Inspector designated by the Code Enforcement Officer at any time upon:

- (1) The request of the owner of the property to be inspected or an authorized agent of such owner; or
- (2) Receipt by the Code Enforcement Officer of any information, reasonably believed by the Code Enforcement Officer to be reliable, giving rise to the belief that conditions on the premises threaten or present a hazard to public health, safety or welfare.

Provided, however, that nothing in this subdivision shall be construed as permitting an inspection under any circumstances under which a court order or warrant permitting such inspection is required, unless such court order or warrant shall have been obtained.

C. OFPC Inspections. Nothing in this section or in any other provision of this Chapter 75 shall supersede, limit or impair the powers, duties and responsibilities of the New York State Office of Fire Prevention and Control (“OFPC”) and the New York State Fire Administrator under section 156-e of the Executive Law and section 807-b of the Education Law. Notwithstanding any other provision of this section to the contrary, in the case of a building referred to in subsection (2) of subdivision (A) of this section, the Code Enforcement Officer may accept OFPC inspection provided that:

- (1) The Code Enforcement Officer is satisfied that the individual performing the inspection is authorized to do so, and requirements such inspection covers all elements required to be covered by a fire safety and maintenance inspection;
- (2) Such inspections are performed no less frequently than once a year;
- (3) A true and complete copy of the report of each such inspection is provided to the Code Enforcement Officer; and

Upon receipt of the report, the Code Enforcement Officer or the authorized entity performing the inspection notes the premises as satisfactory or notifies the owner and operator as to the manner in which the premises fails to comply with the Codes, including a citation to the specific Code provision(s) that have not been met.

D. Fee. The fee specified in or determined in accordance with the provisions set forth in section 75-17 (Fees) of this Chapter 75 must be paid prior to or at the time each inspection performed pursuant to this section. This subdivision shall not apply to inspections performed by OFPC.

### **75-13. Complaints.**

The Code Enforcement Officer shall review and investigate complaints which allege or assert the existence of conditions or activities that fail to comply with the Codes, this Chapter 75, or any other local law or regulation adopted for administration and enforcement of the Codes. The process for responding to a complaint shall include such of the following steps as the Code Enforcement Officer may deem to be appropriate:

- 1) Performing an inspection of the conditions and/or activities alleged to be in violation, and documenting the results of such inspection;
- 2) If a violation is found to exist, providing the owner of the affected property and any other person who may be responsible for the violation with notice of the violation and opportunity to abate, correct or cure the violation, or otherwise proceeding in the manner described in section 75-16 (Violations) of this Chapter 75;
- 3) If appropriate, issuing a Stop Work Order; and/or
- 4) If a violation which was found to exist is abated or corrected, performing an inspection to ensure that the violation has been abated or corrected, preparing a final written report reflecting such abatement or correction, and filing such report with the complaint.

### **75-14. Record Keeping.**

- A. The Code Enforcement Officer shall keep official records of all transactions and activities conducted by all Code Enforcement Personnel, including, but not limited to records of all:
  - (1) Applications received, reviewed and approved or denied;
  - (2) Plans, specifications and construction documents approved;
  - (3) Building Permits, Certificates of Compliance, Temporary Certificates, Stop Work Orders, and Operating Permits issued;
  - (4) Inspections and tests performed;
  - (5) Statements and reports issued;
  - (6) Complaints received;
  - (7) Investigations conducted; and
  - (8) Fees charged and collected.
- B. All such records shall be public records open for public inspection during normal business hours. All plans and records pertaining to buildings or structures, or appurtenances thereto, shall be retained for at least the minimum time period so required by the New York State Archives and Records Administration.

### **75-15. Program Review and Reporting.**

- A. The Code Enforcement Officer shall annually submit to the Board of Trustees of the Village a written report and summary of all business conducted by the Code Enforcement Officer and the Inspectors, including such information as may be required by the Board of Trustees of the Village.
- B. The Code Enforcement Officer shall annually submit to the Secretary of State, on behalf of the Village, on a form prescribed by the Secretary of State, a report of the activities of the

Village relative to administration and enforcement of the Uniform Code.

- C. The Code Enforcement Officer shall, upon request of the New York State Department of State, provide to the New York State Department of State, from the records and related materials the Village is required to maintain, excerpts, summaries, tabulations, statistics and other information and accounts of the activities of the Village which have been generated by the Village as part of its standard procedures in connection with administration and enforcement of the Uniform Code.

#### **75-16. Violations.**

- A. Order to Remedy. The Code Enforcement Officer is authorized to order in writing the remedying of any condition or activity found to exist in, on or about any building, structure, or premises in violation of the Uniform Code, the Energy Code, or this Chapter 75. Upon finding that any such condition or activity exists, the Code Enforcement Officer shall be authorized to issue an Order to Remedy. The Order to Remedy shall:
  - (1) Be in writing;
  - (2) Be dated and signed by the Code Enforcement Officer;
  - (3) Specify the condition or activity that violates the Uniform Code, the Energy Code, this Chapter 75, or other applicable codes, laws, rules and regulations;
  - (4) Specify the provision or provisions of the Uniform Code, the Energy Code, this Chapter 75 or other applicable codes, laws, rules and regulations which is/are violated by the specified condition or activity;
  - (5) Specify the period to comply with such Order to Remedy is thirty (30) days following the date of such Order;
  - (6) Include a statement substantially similar to the following: “The person or entity served with this Order to Remedy must completely remedy each violation described in this Order to Remedy by [specific date], which is thirty (30) days after the date of this Order to Remedy”; and
  - (7) State that an action or proceeding to compel compliance may be instituted if compliance is not achieved within the specified period of time.

The Code Enforcement Officer shall cause the Order to Remedy, or a copy thereof, to be served on the owner of the affected property personally or by registered or certified mail within five days of the date of the Order.

The Code Enforcement Officer shall be permitted, but not required, to cause the Order to Remedy, or a copy thereof, to be served on any builder, architect, tenant, contractor, subcontractor, construction superintendent, or their agents, or any other Person taking part or assisting in work being performed at the affected property personally or by certified mail; provided, however, that failure to serve any Person mentioned in this sentence shall not affect the efficacy of the Order to Remedy.

- B. Nothing in this section shall be construed as prohibiting the Code Enforcement Officer from including in the Order to Remedy provisions ordering the person or entity served with such Order to Remedy:
  - (1) To begin to remedy the violations described in the Order immediately, or within some other specified time which may be less than 30 days; to continue diligently to remedy

such violations until each such violation is fully remedied; and, in any event, to complete the remedying of all such violations within 30 days of the date of such Order to Remedy; and/or

- (2) To take such other protective actions (such as vacating the building or barricading the area where the violation exists) which are authorized by the Code Enforcement Program of the Village or by any other applicable statute, regulation, rule, local law, or ordinance, and which the Code Enforcement Officer may deem appropriate, during the period while such violations are being remedied.

C. Appearance Tickets. In the event the owner fails to meet the requirements of the Order to Remedy, the Board of Trustees of the Village may authorize the Code Enforcement Officer to issue appearance tickets for any violation of the Uniform Code and other applicable codes, laws, rules and regulations. Penalties. In addition to those penalties proscribed by State law, any Person, who violates any provision of the Uniform Code, the Energy Code, this Chapter 75 or other applicable codes, laws, rules and regulations, or any term or condition of any Building Permit, Certificate of Compliance, Temporary Certificate, Stop Work Order, Operating Permit, Order to Remedy, or other notice or order issued by the Code Enforcement Officer pursuant to any provision of this Chapter 75, shall be:

- (1) Liable to a civil penalty of not more than two hundred fifty dollars (\$250) for each day or part thereof during which such violation continues, which civil penalty shall be recoverable in an action instituted in the name of the Village; and
- (2) Deemed guilty of an offense upon conviction and is subject to a fine equal to two hundred fifty dollars (\$250) or imprisonment for not more than fifteen (15) days, or both, for each such violation.

Each day that any such violation continues to exist shall be deemed to result in a separate and distinct violation, each of which separate violation shall subject the violator to an additional two hundred fifty dollar (\$250) civil penalty and/or fine. Notwithstanding the foregoing, in any case that this Chapter 75 expressly provides for a grace period within which the violator is permitted to cure the violation, each day during such grace period shall not be deemed to result in a separate violation that shall subject the violator to such fine. In addition, a violation of this Chapter 75 constitutes a violation under the Penal Law of the State of New York.

D. Injunctive Relief. An action or proceeding may be instituted in the name of the Village in a court of competent jurisdiction, to prevent, restrain, enjoin, correct, or abate any violation of, or to enforce, any provision of the Uniform Code, the Energy Code, this Chapter 75 or other applicable codes, laws, rules and regulations, or any term or condition of any Building Permit, Certificate of Compliance, Temporary Certificate, Stop Work Order, Operating Permit, Order to Remedy, or other notice or order issued by the Code Enforcement Officer pursuant to any provision of this Chapter 75 or other applicable codes, laws, rules and regulations. In particular, but not by way of limitation, where the construction or use of a building or structure is in violation of any provision of the Uniform Code, the Energy Code, this Chapter 75 or other applicable codes, laws, rules and regulations, or any Stop Work Order, Order to Remedy or other order obtained under the Uniform Code, the Energy Code or this Chapter 75, an action or proceeding may be commenced in the name of the Village, in the Supreme Court or in any other court having the requisite jurisdiction, to obtain an order directing the removal of the building or structure or an abatement of the condition in violation of such provisions. No action or proceeding described in this subdivision shall be

- commenced without the appropriate authorization from the Board of Trustees of the Village.
- E. Remedies Not Exclusive. Nothing in this section shall be construed as requiring a Code Enforcement Officer to issue an Order to Remedy in a given situation where violations of the Uniform Code are found to exist if, in the judgment of the Code Enforcement Officer, such violations can be addressed adequately by the use of other enforcement tools or by other means. Nothing in this section shall be construed as limiting the authority of a Code Enforcement Officer to employ any other means of enforcing either or both of the Codes, including, but not limited to:
- (1) Issuing notices of violation;
  - (2) Issuing appearance tickets
  - (3) Issuing stop work orders;
  - (4) Commencing actions pursuant to subsections (2), (3) or (4) of section 382 of the Executive Law;
  - (5) Revoking or suspending Building Permits, Operating Permits, Certificates of Compliance and/or Certificates of Occupancy pursuant to the procedures established by the Village or pursuant to any other applicable statute, regulation, rule, local law or ordinance;
  - (6) Commencing and prosecuting an appropriate action or proceeding to impose such criminal and/or civil sanctions as may be provided in any applicable statute, regulation, rule, local law or ordinance;
  - (7) Condemning and/or placarding a building in accordance with the applicable provisions of the Uniform Code;
  - (8) taking any action authorized by the procedures for identifying and addressing unsafe structures and equipment as established by the Village or by any other applicable statute, regulation, rule, local law or ordinance; or
  - (9) issuing orders to remedy violations of the Energy Code pursuant to subdivision (1) of section 11 - 108 of the Energy Law.
- F. Any remedy or penalty specified in this section may be pursued at any time, whether prior to, simultaneously with, or after the pursuit of any other remedy or penalty specified in this section, in section 75-7 (Stop Work Orders) of this Chapter 75, in any other section of this Chapter 75, or in any other applicable law. In particular, but not by way of limitation, each remedy and penalty specified in this section shall be in addition to, and not in substitution for or limitation of, the penalties specified in subdivision (2) of section 382 of the Executive Law, and any remedy or penalty specified in this section may be pursued at any time, whether prior to, simultaneously with, or after the pursuit of any penalty specified in subdivision (2) of section 382 of the Executive Law.

#### **75-17. Fees.**

A fee schedule is provided in subsection (D) of section 145-57 of Chapter 145 of the Village of Lansing Code, which fee schedule may be modified from time to time. The fees set forth in, or determined in accordance with, such fee schedule or amended fee schedule may be charged and collected for the submission of applications, the issuance of Building Permits, amended Building Permits, renewed Building Permits, Certificates of Compliance, Temporary Certificates, Operating Permits, fire safety and property maintenance inspections, and other actions of the Code Enforcement Officer described in or contemplated by this Chapter 75.

## **75-18. Intermunicipal Agreements.**

The Board of Trustees of the Village may, by resolution, authorize the Mayor of the Village to enter into an agreement, in the name of the Village, with other governments to carry out the terms of this Chapter 75, provided that such agreement does not violate any provision of the Uniform Code, the Energy Code, Part 1203 of Title 19 of the NYCRR, or any other applicable law.

### **SECTION III. SUPERSEDING EFFECT.**

All local laws, resolutions, rules, regulations and other enactments of the Village of Lansing in conflict with the provisions of this local law are hereby superseded to the extent necessary to give this local law full force and effect.

### **SECTION IV. VALIDITY.**

The invalidity of any provision of this local law shall not affect the validity of any other provision of this local law that can be given effect without such invalid provision.

### **SECTION V. EFFECTIVE DATE.**

This local law shall be effective upon filing with the Secretary of State of the State of New York.

### **Budget Transfer**

Hardaway stated that Courtney has requested a budget transfer for a new pick up. Hardaway would like more information on this.

Dake stated that the plow was for his new 2022 pick-up. Courtney had budgeted \$74,000 for the truck. The truck was \$70,341.50 and the plow would be an additional \$8,241. To purchase the plow, it would require a transfer of \$4,583 to cover the cost.

Greenwald asked what we would plow with if we did not get this. Dake stated that we do have other plows but if the Trustees need more information, they could put this off until the next meeting. Courtney would need to provide three written quotes for this purchase unless the plow is under State Contract. Dake has not seen any of this information. Hardaway stated that quotes are required because the purchase is over a certain amount.

Hardaway suggested that the Trustees postpone their decision until they get more information. The Trustees need to see these quotes and understand why it's needed and get more information before we approve the budget transfer. It is not that it is not needed, but we need to make sure we are paying a competitive price for the plow and not just buying it because we want one fast. This topic will be placed on the December 5<sup>th</sup> agenda.

Dobbin stated that he may be late to that meeting because he is flying in that evening. Greenwald stated that she would not be at the December 15<sup>th</sup> meeting. O'Rourke stated that there is a possibility that she may not be at the December 19<sup>th</sup> meeting.

**Waive Penalties**

Dake received a request to today to waive the late fees in the amount of \$168.67 on water account N6955. This is the late fees for three quarters. After some discussion the Trustees decided to waive one quarter's late fees. There was a concern that if they did all three quarters it would set a precedence. The Board agreed to waive January late fees\$37.42.
